

Dear Friends of Shadowbox Live

Greetings! We hope everyone is having a wonderful holiday season thus far. 'Tis the season to be giving', and Shadowbox Live is asking for your support by participating in our "Stocking Stuffer" campaign. If you enjoy Shadowbox Live, we're asking you to stuff our stocking. Not only is your donation tax deductible, but you'll also be recognized as a Shadowbox Donor and will be invited to special donor events! PLUS everyone who donates will get their name "monogrammed" on our Virtual Shadowbox Live Stocking!

Our stocking is small now, but if every person in our database participated, we could have the biggest stocking EVER! And you know what they say... big stocking... strong fan base :)

*I ask you. If you enjoy our productions,
won't you please participate?*

Just click on the link provided, make your contribution and help Shadowbox Live spread the sketch comedy and rock n' roll cheer throughout the year! Just check the "Sustaining Donor" box and we will renew your donation using the credit card information you provide automatically every year (until you tell us otherwise.)

All levels of contribution are graciously accepted and greatly appreciated.

Thank you so much for your support!! I look forward to updating you regarding the growth of this "Stocking Stuffer" campaign!

Sincerely,

*Stacie Boord
Community Relations Director
Shadowbox Live*
